

Northwich, Cheshire.

We are a friendly, democratic, GMS Training Practice serving a population of 24,200 over three sites. We are looking for a junior or experienced **SALARIED GP** to work up to eight sessions per week (job share considered)

We are:

- Paper light and fully computerised (EMIS Web), EPS prescribers
- GMS Training Practice
- Training site for Manchester Medical School
- Member of local Commissioning Consortia and GP alliances
- Equal opportunities employer adhering to BMA recommended contract

We have:

- 8 Partners
- 6 part time Salaried GPs
- Clinical Pharmacist
- 3 GP Registrars
- FY2 Doctors
- Modern, purpose-built premises with on-site minor surgery suite
- High QOF achievement
- Large, highly skilled nursing team including 2 Nurse Prescribers
- Phlebotomist, counsellor, health visiting and district nursing teams on-site
- Dedicated and supportive admin team and prescribing advisor
- Research links with Keele University
- GP Commissioner

We are keen to support newly qualified GPs and operate a programme of mentorship with opportunities to participate in a wealth of in-house clinical and Practice developmental meetings, and to develop new skills which a practice this size will afford.

Pro-rata CPD is not proscriptive allowing flexibility for port-folio career development.

Post available now but prepared to wait until August for the right candidate

Applications in writing with CV and covering letter or via NHS Jobs website – please attach a CV and covering letter. Mr Philip Greasby, Practice Manager, Danebridge Medical Centre, Northwich, Cheshire, CW9 5HR. 01606 544544 or email philip.greasby@nhs.net

We welcome informal enquiries. For information pack or further information please contact the Practice Manager.

Closing date 31 March 2017
